On January 12, 2007, the Commission on State Mandates (Commission) received the Department of Finance's request to amend the parameters and guidelines for the above-named matter. The request was deemed complete and was posted on the Commission's website.

Prehearing. The first prehearing conference was held at the Commission offices on January 24, 2007 with claimants', State Controller's Office, and Department of Finance representatives. The Department of Finance representative notified the parties of its intention to modify the original proposal upon receipt and review of the State Controller's final report on the fiscal year 2004-2005 reimbursement claims, and receipt of final audit reports on 20-25 audits that are underway. Upon receipt of this data, individual audit reports from the State Controller's Office, and the Department of Finance's modified proposal, Commission staff agreed to notify all parties, affected state agencies, and interested persons and to post all documents on the Commission's POBOR website.

Comment Period Extended. All parties, affected state agencies, and interested persons are invited to file comments with the Commission on the original proposed amendment described above or wait to file comments on Department of Finance's modified proposal. Comments may be filed up to 30 days after the updated Department of Finance proposal is posted on the Commission's website. Rebuttal comments will be due 30 days after that date.

An original and one copy, or an original and an Adobe Acrobat PDF file, shall be submitted to the Commission. PDF files should be e-mailed to: csminfo@csm.ca.gov. All comments will be posted on the Commission's website. This will satisfy all the service requirements under California Code of Regulations, title 2, section 1181.2, subdivision (d).

Draft Staff Analysis and Tentative Hearing Date. After the record closes, Commission staff will review the comments and prepare a draft staff analysis and proposed parameters and guidelines amendment. The draft staff analysis will be issued for public comment and review on or about May 31, 2007 and is tentatively scheduled for hearing on July 26, 2007.
